Chapter Goals:

It is recommended that you keep this between 1 and 3 goals that are concrete and achievable.

Examples

- Increase pledge numbers by 5% over last year through better outreach to possible pledges, speaking at chemistry classes, and having 4 interactive rush events
- Increase participation and quality of initiation performances by having rehearsal sessions every week for 5 weeks
- Start new fundraising efforts by selecting a fundraising chair and working with them
- Increase presence with Chemistry Department faculty by having a meet & greet and a service day
