

# Alpha Chi Sigma Fraternity

Professional in the Chemical Sciences

**VINCENT A. SEDLAK AWARD**

## Vincent A. Sedlak Award Winners

This award is presented to the best professional chapter for each biennium. Brother Vincent A. Sedlak, Alpha Pi 1946, was a longtime contributor to the Fraternity. A donation from his estate established a fund that provides grants to promote the professional branch of the Fraternity. Initially established as the Outstanding Professional Chapter Award, it was renamed in 2000 to honor Brother Sedlak's contributions and support of the professional branch. The winning chapter is selected by the district counselors.
