

# Alpha Chi Sigma Fraternity

Professional in the Chemical Sciences

## HEALTH & SAFETY EDUCATION PLAN

*Revision 1 passed by SC Proposition 4826 on July 6, 2020*

## Direct Distribution of Philosophy and Policy Documents

2 x Year - Late January, Late August/September. Send to all collegiates, SC, DCs, PRs, Professional Chapter Presidents. Philosophy and Policy Documents, Links and description of Resources, Links and description of Enforcement procedures.

## Newsletter Distribution of Philosophy and Policy Documents

2 x Year - Early March, Early October. Short Chrome and Blue article or email. Include links to all information. Emphasize Pledge and Initiation safety.

## Educational Presentations or Webinars

1 x Year - During school year. District Presentation. Choose 1.

1. Live presentation at district meeting
2. Mandatory Webinar with all Chapters
3. Individual live presentation or Webinar for each chapter.

Even Years - Conclave. Mandatory closed session. Go over information. Representative from Holmes-Murphy or other outside speaker possible.

## District Counselor / Committee Training

As Needed: District Counselor training / DC committee training. PRs are invited to attend - Give the DCs the skills to not only understand the 3P/2E but also present and explain to Chapters when questions arise.
